Re: Request for Information to The
Selmer Company for Main Street
Well Field Area in Elkhart, Indiana

Dear Ms. Nolan:

I am writing to confirm our telephone conversation of Wednesday, September 28, 1988. You have agreed that The Selmer Company may have an additional thirty (30) days within which to respond to EPA's request for information pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation and Liability Act and Section 3007 of the Resource Conservation and Recovery Act.

The Selmer Company received EPA's request for information on or about September 23, 1988. With this additional extension of 30 days to respond, The Selmer Company's response will be due on or about November 22, 1988.

This will also confirm that you have agreed to provide me with the analytical results for soil samples taken approximately four months ago on The Selmer Company's facility located at 1119 North Main Street in Elkhart, Indiana. You indicated that this data is part of the Phase II data for the site. You also agreed to forward the analytical results for sampling of groundwater monitoring wells located downgradient from The Selmer Company facility. You indicated that these results are contained in the Phase I groundwater data for the site.
